deck, completely free

four kingposts /?; "Arbotaniz7

8-10 booms

B <u>MILITARY VESSELS</u>

None of any type

C INSPECTION

The inspection upon arrival lasted only 20 minutes. The personnel was not required to meet in a central phace but to remain in their own quarters where an officer and three men inspected the documents of each person.

The inspection upon departure was more rapiducin The crewwas assembled in the ward room and an officer made a superficial check of their documents. Only the radio and cameras were sealed.
